**February 2025**

Published on:  
March 1, 2025

*Ramadan*  
*Mubarak*

Two large, thin white infinity symbols are positioned above and below the word "Ramadan". They are oriented horizontally, with the top one pointing right and the bottom one pointing left, creating a symmetrical frame for the text.

## HIGHLIGHTS OF THE MONTH

Welcome  
Ramadan

Celebration of  
World Hijab Day

Students Visit  
The Metropolitan  
Museum

Launched a  
Student-Written  
Book, "I Am The  
Future."

## S.T.E.A.M BASED CURRICULUM

February was a month of exploration, learning, and community spirit at Elhaam Academy! Students engaged in exciting STEAM projects, interactive lessons, and hands-on activities that sparked creativity and curiosity. From scientific experiments to collaborative problem-solving, they deepened their understanding while honing essential skills.

This month also brought moments of spiritual enrichment and togetherness, as students participated in Jumma prayers, Quran studies, and thoughtful discussions that strengthened their faith and values. As we move forward, we remain dedicated to empowering young minds and fostering a love for learning.

# RAMADAN WELCOMING CELEBRATIONS AT ELHAAM ACADEMY!

# LAUNCHING OF THE BOOK “I AM THE FUTURE”

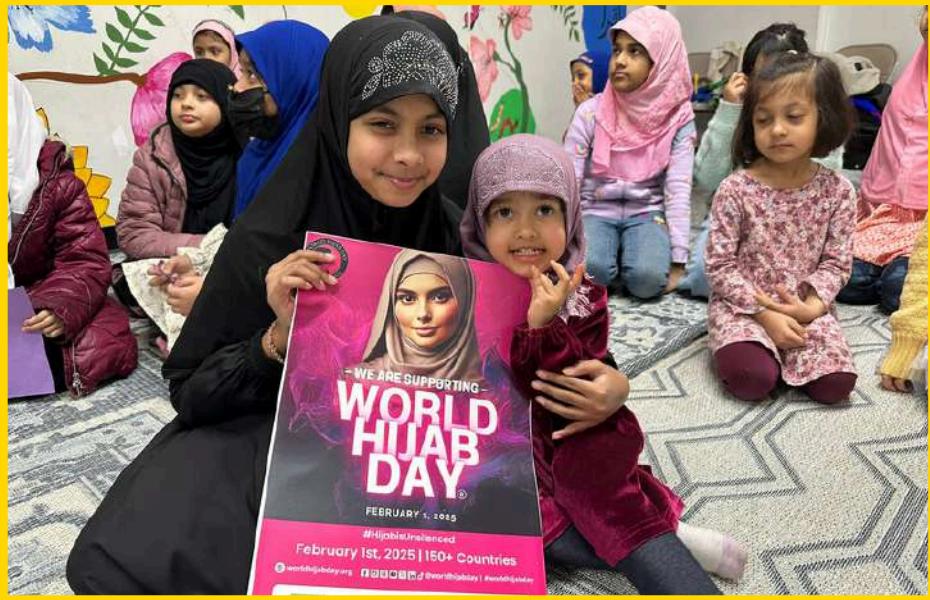

The dreams of a child begin to take shape from an early age, and nurturing those aspirations is key to their future success. To celebrate and inspire young minds, Elhaam Academy proudly launched a student-written book, "I Am The Future."

In this special publication, children expressed their dreams through both pictures and their own words, showcasing their visions for the future.

New York State Senator John Liu praised the initiative, stating that publications like "I Am The Future" will not only benefit one specific community but will serve as an inspiration for children worldwide, paving the way for a brighter future.

Distinguished guests, including NYC Perth Crime Prevention Unit Head Cristin Noel, Commissioner at NYC Commission on Racial Equity Imam Ahmed Ali, and NYC Mayor's Office Muslim Liaison Mehedi Hassan, also attended the event, showing their support for empowering young minds through creativity and education.

# VISIT TO THE METROPOLITAN MUSEUM

Our grades 4-6 students had the chance to visit the Metropolitan Museum and share insights about the Islamic faith with their peers. A day filled with respect, learning, and cultural exchange!

# TWIN DAY AT ELHAAM ACADEMY

Same fit, same energy, same squad!  
Twin Day vibes!

# EXPLORING THE POWER OF NATURE!

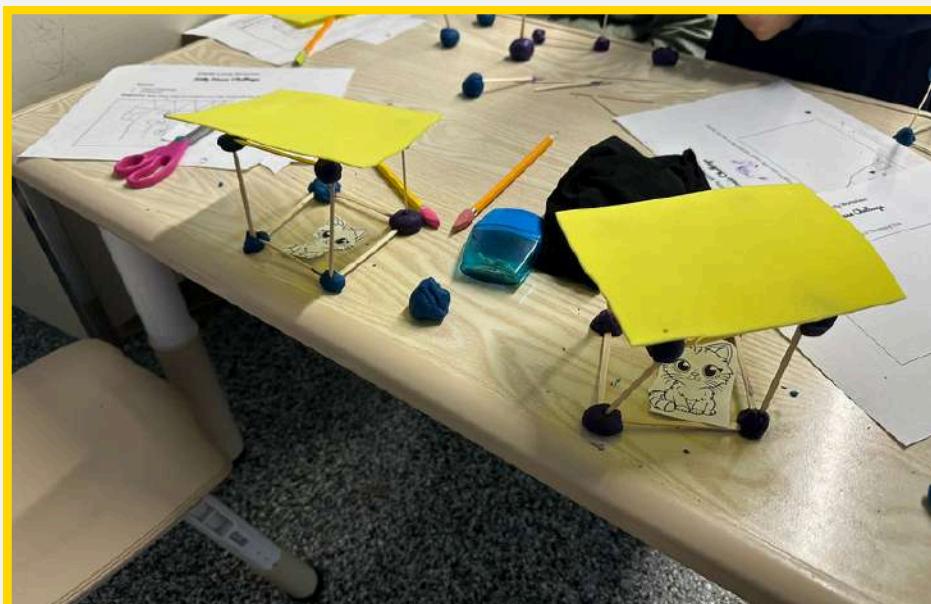

Our 5th and 6th graders dove into the world of natural disasters by creating their very own erupting volcanoes. Through this hands-on science experiment, they learned about the causes and effects of volcanic eruptions, the role of magma and pressure buildup, and how volcanic eruptions shape Earth's landscape. Watching their volcanoes erupt in a colorful and exciting blast was both thrilling and educational — science truly came alive today!

# CREATIVITY WITH SNOW FLAKES!

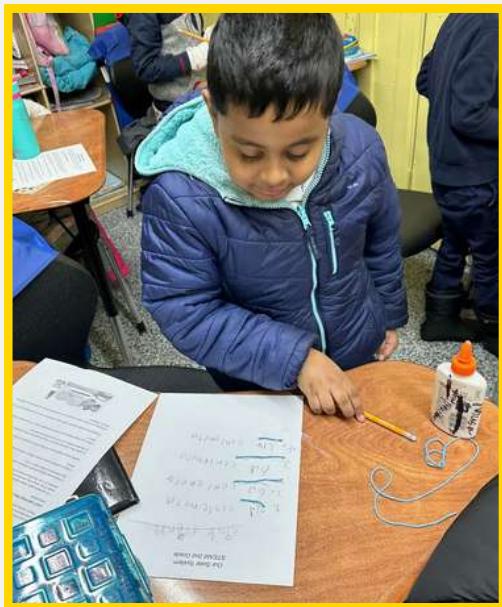

Snowy day calls for a snow craft, our little artists got creative with snow flakes! They made and decorated beautiful snowflakes, bringing a touch of magic to cold and cozy day.

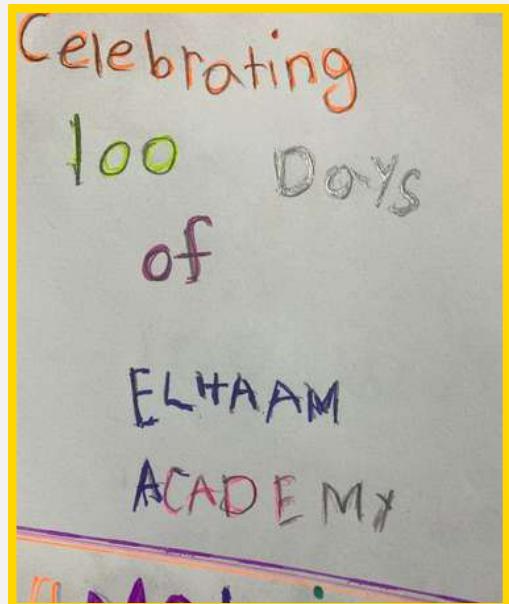

## CRITICAL THINKING AND PROBLEM-SOLVING SKILLS

For our STEAM class, KG students were challenged to put on their engineering hats and construct a shelter for a little kitty with limited materials. This lesson enhances their critical thinking and problem-solving skills.

## LEARNING ABOUT THE SOLAR SYSTEM

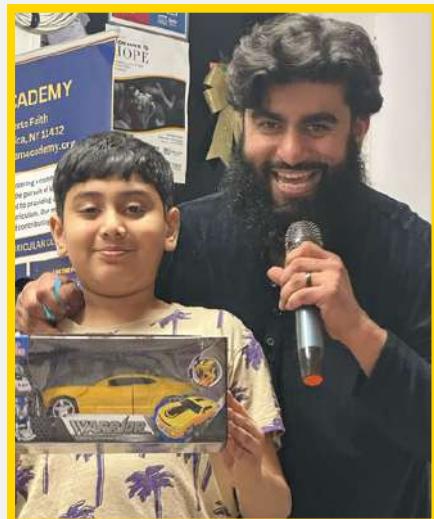

In STEAM class, our 2nd graders learned all about the solar system, our planets, and stars. They made scaled-down versions of each planet to better understand their size comparisons and were mind-blown by the results!

## 100 DAYS CELEBRATION

Elhaam Academy celebrated 100 days of growth, learning, and unforgettable moments! Here's to many more days of success and discovery ahead!

# MCC QUEEN'S FAMILY NIGHT

A Night to Remember!  
The MCC Kids Family Night at Elhaam Academy was a huge success! The community came together for an evening filled with joy, laughter, and unforgettable moments. Thank you to everyone who joined and made it so special! Stay tuned—we have BIG news coming soon!

# DR. AYMAN NASSAR

( Founder & Board Trustee Member, and Chief of Academics & Digital Transformation at Islamic Leadership Institute of America)

## VISITS ELHAAM ACADEMY

We were honored to welcome Ayman Nassar, Founder & Board Trustee Member, and Chief of Academics & Digital Transformation at Islamic Leadership Institute of America, to Elhaam Academy! His visit was an inspiring opportunity to exchange ideas on education, leadership, and digital transformation in Islamic learning.
