# OUR AFTER-SCHOOL STEAM CLUB HAD A BLAST!

Students created self-inflating balloons using baking soda and vinegar, discovering how chemical reactions produce gas, build pressure, and show that even air takes up space. It was hands-on science filled with curiosity, excitement, and learning at Elhaam Academy.

# After-school fun at Elhaam Academy's Gaming Club!

Students enjoyed teamwork, strategy, and friendly competition while building problem-solving skills in a positive and engaging environment.

**REHEARSALS ARE UNDERWAY AS ELHAAM ACADEMY STUDENTS PREPARE FOR THEIR PERFORMANCE AT THE FAITH & KNOWLEDGE EVENT. EVERY MOMENT IS FILLED WITH JOY, EFFORT, AND EXCITEMENT AS THEY GET READY TO SHINE.**

# HONORED VISIT TO ELHAAM ACADEMY!

We were honored to welcome Mamadou Siré Bah, Director of Muslim American Affairs at the New York State Executive Chamber, to Elhaam Academy in celebration of New York State Muslim American Heritage Month.

He shared an inspiring message with our students, encouraging them to strive for excellence, leadership, and strong moral values while embracing their identities with confidence and purpose.

We truly appreciate his time and continued support for our youth, our community, and the recognition of Muslim American contributions across New York State.

**Elhaam Academy students proudly presented the family trees they created in Arabic class, showcasing their learning, creativity, and growing language skills.**

# SPECIAL JUMU'AH KHUTBA

Khutbah Topic: The Pillars of Islām and Īmān

The foundation of our entire religion is beautifully summarized in the Hadīth of Jibrīl, where the pillars of Islām and the pillars of Īmān are clearly explained.

# CELEBRATING WORLD HIJAB DAY 2026

**OUR STUDENTS ENJOYED A MEANINGFUL STORY TIME FOCUSED ON CHARITY IN ISLAM, FOLLOWED BY A HANDS-ON CRAFT WHERE THEY CREATED THEIR OWN CHARITY BOXES AS THEY PREPARE THEIR HEARTS FOR RAMADAN.**
